Roles and Responsibilities

Thursday 3 August 2023, 7pm

In this session, we'll be discussing the different roles and responsibilities of medical, rescue and recovery personnel, and how we work individually, and as a specific team, and as part of the wider team involved in an incident.

Managing and controlling a scene

Thursday 5 October 2023, 7pm

Building on the August webinar, we'll look at what activities take place at an incident scene and how these can be developed to maximise the effectiveness of the command and control of the incident.

Building personal resilience

Thursday 7 December 2023, 7pm

Responding to an incident can have a lasting effect on the way we process the world around us. Being a resilient responder starts with a commitment to taking care of yourself.
